

Temat: Interesting jobs. Interesujące zawody.

Cele:

1. Rozwijanie umiejętności językowych poprzez ćwiczenia na rozumienie tekstu słuchanego.
2. Utrwalenie poznanego słownictwa.

1) Welcome to the English class.

Moi drodzy. Dzisiaj proponuję Wam kolejne zajęcia z DVD. Obejrzyjcie krótki film dotyczący ciekawych zawodów dla miłośników komputerów i nowoczesnej technologii.

2) Zanim obejrzyjcie film spójrzcie na karty pracy. Znajdziecie tam zadania podzielone na trzy części:

1. Before you watch – zanim obejrzysz.
2. While you watch - w trakcie oglądania.
3. After you watch – po obejrzeniu.

Postępujcie zgodnie z tym podziałem.

3) Po wykonaniu zadania pierwszego wejdźcie na stronę:

<https://www.youtube.com/watch?v=deyze39upX4>

i obejrzyjcie film, wykonując zadania 2. i 3.

4) Po obejrzeniu filmu uzupełnijcie pozostałe ćwiczenia. Pamiętajcie - nie trzeba rozumieć każdego pojedynczego słowa, aby zrozumieć kontekst wypowiedzi. Jeśli któreś zadanie sprawi Wam trudność, spróbujcie wykonać je choćby w części.

Good luck!

Pozdrawiam, Joanna Nowakowska

Hi Patryk

I've just got an email from the Tokyo School of Anime. Guess what! I've got in! I'm going to study how to create characters using special software and how to make them move on the computer screen, and then someone will record their voice and make my characters come alive ... I can't wait.

Best wishes,
Mark

1 _____

Toby,

Do you remember that I recorded some anime films some time ago? Well, I sent them to one of the schools in Tokyo and guess what!

I've got in! Now, I'm going to learn how to record my voice in a professional studio.

This is how I see my career, you know!

Talk to you soon,

Ellie

2 _____

Lucy,

It's official! My sister, Magda, is going to become a pro. She's leaving for Tokyo next year. She's going to practise her gaming skills there and test high-tech game controllers too. She will also take part in e-tournaments and learn how to start a YouTube channel. Cool, right?

Maybe I'll visit her there ...

Lots of love,

Kasia
